

KP15

K Series

Built with switching technology to ensure high efficiency and reliability, protected against both temporary and prolonged overloads. Insulation class: II.
Operating temperature: -10°C to +55°C.

Technical Chars

KP15		
Code		270018
Power supply	V	220-230, 50-60
Power Consumption	W	23
Maximum power supply current	mA	1500
Max current	mA	12 ± 5%
Isolation class		II
Working temperature	°C	-10 ÷ +55
Dimensions	mm	130 x 40 x 86
Dimensions and packaging		
Pcs		1
EAN code		8016978034710
Packaging dimensions	mm - LxWxH	150 x 100 x 45
Packaging weight	Kg	0.46
