Link PSU

Article number: 370418

Product description:

- Use with the TRIAX Link (370419) for powering Link Amplifiers on RF OUT 2
- Connect to DC Input of TRIAX Link
- 12V, 200mA, 3.5mm jack plug

Specifications

| ORDER INFORMATION | |
|------------------------------|---------------|
| EAN Number | 5702663704183 |
| OPERATIONAL | |
| LINE power current (max.) | 200 mA |
| LINE power DC voltage (max.) | 12 VDC |
| PSU output DC voltage | 12 VDC |
| CONNECTORS | |
| Connector DC | DC jack |
| MECHANICAL | |
| Product Depth | 32 mm |
| Packaging Depth | 0,085 m |

| | |
|------------------|--|
| Packaging Height | 0,055 m |
| Total Weight | 0,175 kg |
| Packaging Width | 0,085 m |
| Product Length | 56 mm |
| Net Weight | 0,165 kg |
| Remarks | For use with TRIAX Link (370419), when line powering a distribution Link Amplifier or powering more than one Digital Link eye. |
| Tara Weight | 0,010 kg |
| Product Width | 50 mm |
