ACCESSORIES/ RTE-DSS Series - Stainless Steel Dome Exit Button

Product description

The RTE-DSS is a high impact green dome exit switch. The green dome is particularly suited for users who require a larger "target" button and providing higher levels of reliability.

This push button is suitable for medium to heavy traffic use and is intended for internal environments.

Key features

- High impact exit button
- Surface or flush mount
- UK back-box format
- Internal use only
- High quality stainless steel
