

SPECIFICATION

Product: CS300 Plug in Combiner Splitter

Input	1
Output	2
Insertion Loss	VHF: 3.5dB
	FM DAB: 3.5dB
	UHF: 4.5d

Product: COB11R Surface Mount Adaptor

Input	1
Output	1
Insertion Loss	VHF: 0.1dB
	FM DAB: 0.1dB
	UHF: <0.5d

The popular Antiference range of Plug-In Splitters and Surface Mount adaptors help complete the finishing touches to many installations. They offer a quick and versatile solution for simple or complex tasks.

SPECIFICATION

Product: AEB01/50

No. of connectors	50
Frequency Range	5-2400MHz
Return Loss	≥20dB
No of Strands	56
Gauge	4mm ²
Circuit protective conductor	
Fully Screened	
High Performance Connectors	
Fully screened high performance connectors	

It is a CAI requirement to earth bond all inputs and outputs in a commercial IRS installation to ensure a system is completely safe. The Earthlink System is for use with multiswitches, has a daisy chain link system ensuring compatibility with any switch, regardless of the distance between the ports.
