

FERRET STICK^{MINI}

Ferret Tools is creating the future with new thinking and innovation in smart inspection camera technology for Trades & DIY to help build an easier and safer work environment.

For those of you that care about having the most reliable and durable tools with the latest smart technology to help work faster, easier and safer, inspect with a Ferret.

PRODUCT INFORMATION

Introducing the new Ferret Stick mini with grooved design to prevent your camera from twisting.

The Ferret Stick mini is a handy extendable rod made of high-quality materials. Tough rust resistant lightweight stainless-steel frame and non-slip rubber handle with secure wrist strap at the bottom that offers excellent durability and versatility, both in terms of its length and construction.

It extends up to 47" (120cm) with a 1/4" - 20UNC thread, which is compatible with all Ferret Tools cameras. Work Safer. Work Smarter.

Warning: Do not use the Ferret Stick mini near live power.

INSPECT WITH THE FERRET - SMART TOOL. SMART CHOICE.
