

## CAT 6A Module

Article No. 304300 (White) / 304301 (Black)

### CAT6A Wall Outlet Module

Boost Your Connectivity – Seamless Performance for Demanding Networks!

#### Features

- CAT 6A compliant
- Designed for high-speed, reliable connectivity
- Backwards compatible
- Easy to install
- Future-proof your network.
- Available in White and Black
- Size 25mm × 50mm

### Technical specifications

| Item                         |                       | Specifications      |                     |
