Weatherproof TV Enclosures

Fits 19-65" Televisions

The TV Shield[®] is a patented weatherproof and secure enclosure designed for use with just about any standard television and with the residential consumer market in mind. Ideal for use in both outdoor and indoor areas, The TV Shield's[®] lightweight universal design easily opens for a direct view of your TV, allowing you to watch, protect and secure TVs in nearly any environment. The TV Shield[®] enclosures protect TVs and video displays in over 23,000 residential and commercial locations in 38+ countries.

AFFORDABLE - The TV Shield[®] is the most affordable TV enclosure on the market. Rather than purchasing an expensive outdoor television, you can pair our enclosures with almost any TV and mount, making it among the most affordable solutions on the market.

LIGHTWEIGHT - Our units weigh 50-75% less than our competition and are made of lightweight, yet highly durable and long lasting outdoor plastics. Our largest unit only weighs 58lbs and our smallest unit weighs 19lbs.

UNIVERSAL - With the ability to fit almost any standard indoor TV, The TV Shield[®] can accommodate televisions from 19 inches up to 65 inches. Our proprietary patented design mounts using any universal VESA mounting system.

VERSATILE - Whether in the open or closed position, you can enjoy watching television on your outdoor patio, pool deck or any setting you prefer.

DURABLE - The TV Shield's[®] ultra-clear cover (shield) is manufactured using shatter-resistant Lexan[®] polycarbonate, the same material used to produce bulletproof glass, for the ultimate durability and screen protection.

MADE IN THE USA - The TV Shield[®] television enclosure was designed, engineered and is manufactured in the USA from top quality materials.
