460

For the complete range of New Media Modules please refer to the dedicated Module brochure.

Media plate combining 4 x 13A switched socket outlets with master telephone outlet and 5 signal outlets (satellite 1, satellite 2 TV, FM & return).

The plate is supplied complete with its own dedicated 47mm deep galvanised steel mounting box for flush fitting, featuring segregation walls for signal and telephone areas.

We can supply similar design plates to suit specific project requirements and we will be pleased to quote accordingly, upon request.

Every deco product featured on this page is available in a range of distinctive finishes:

Antique brass, polished brass, polished chrome, satin chrome, satin brass, black nickel, pearl nickel, stainless steel and cast brass.

When ordering a product from this catalogue, please specify a unique product code as shown below.

For example if you wish to order a 1 Gang Plate Twin Aperture in satin chrome finish, the unique product code will be VPSC311.
